Re: Request of Clifton Power Company on the Public Service Commission's
Jurisdiction of Electric Vehicle Charging Stations
Docket No. 2021-210-E

Dear Ms. Boyd:

On March 31, 2022, the Clerk's Office of the Public Service Commission of South Carolina ("Commission") issued a Prefile Testimony letter instructing Clifton Power Company to file its direct testimony on or before May 9, 2022, and instructing the South Carolina Office of Regulatory Staff and other parties of record to file their direct testimony on or before May 23, 2022. To date, Clifton Power Company has not filed direct testimony with the Commission. Because Clifton Power Company has not yet filed its direct testimony as set forth in the Prefile Testimony letter, Dominion Energy South Carolina, Inc. ("DESC" or "Company") will not be filing direct testimony on May 23, 2022.

In the event Clifton Power Company or any other party in this docket should make a filing that affects or relates to the interests of DESC, the Company reserves its right as an intervenor to make a responsive filing, which may include testimony.

By copy of this letter, DESC is serving the parties of record. If you have any questions, please do not hesitate to contact us.

Very truly yours,

Matthew W. Gissendanner
